## UNITED BY HOPE

### Can I bring my own table and chairs and join in?

No - only the Banquet Tables and Chairs are allowed.

### Do all of the 10 people seated have to be members of my team?

No. Feel free to invite family & friends. Visitors will be asked to make a Gold Coin donation at the gate. Order the Banquet Meal Deal and for visitors you could even charge them \$20 (or more) a head and put the extra your team fundraising.

### Can you decorate your table?

Yes absolutely! There will be prizes awarded for best themed table. All we ask is that each team clean up after themselves at the end of the banquet.

You will need to provide: Plates, Drinkware, Cutlery, Serviettes, Salt, Pepper and any other condiments you may require, Table decorations (including tablecloth etc)

There is no electricity in The Marquee so you will need to think about some battery operated lighting for your table. Some ideas are; a Hope Bag with battery operated candles, garden solar light or a camping light.

**Please Note:** Glass drinkware or crockery are **NOT** permitted in the marquee.

### Catering

There are a number of options available for catering your banquet dinner

- Option 1: Provide your own food & drinks
- Option 2: Pre-Order a banquet meal to be delivered to your table  
(Order form is attached)
- Option 3: Purchase food from our catering trucks onsite

### Only half my team want the Banquet Meal – is this ok?

Yes, any number of required meals will be provided. This is purely an option to make things easier for you.

### Can I order the Banquet Meal at Relay on the day?

No. Due to numbers, we need to pre-order from our suppliers early, so we must have your booking by 13 October 2014.
