Financial

- On registering, the team captain will receive a team info pack containing your donor tally sheets and banking deposit slips. Blank donor tally sheets can be photocopied as many times as you need.

Once the sheet is completed, scan and email to georgiac@nswcc.org.au or post back to the address written on the sheet.
- Please note a "donation" is when the donor does not receive anything in return for their money ie, a raffle ticket sale does not count as a donation as they are receiving a ticket to win a prize.
- Team members are to give any donations raised to their Team Captain. The team captain can then bank using the deposit slips.
- More deposit slips are available on request
- Teams Captains should aim to deposit funds raised to date with the National Australia Bank by Thursday 21 May, 2015.

Survivors Morning Tea

We invite all cancer Survivors and their Carers to join us for the Celebrate (Opening) Ceremony and to walk the first lap (**10am**). A complimentary morning tea with light entertainment will follow this for survivors and their family. Location will be advised on the day.

If you would like to attend please register using the survivor's registration form on the day at the Registration Tent.

Ceremonies – What do they mean?

The importance of Relay For Life is based around the 3 main ceremonies held through out the event.

Opening Ceremony – **CELEBRATE** is about supporting and celebrating those in our community who have been through the cancer journey and survived. Survivors and Carers are given a sash to wear proudly as they walk the first official lap of relay to open the event. Participants are asked to line the track to clap and cheer on the Survivors and Carers as they walk. During the event shake their hand, give them a hug or even a high five. We are a community who care and want to celebrate their life.

Hope Ceremony – **REMEMBER** is a chance to honour the lives of loved ones who have passed from cancer. It is a time to reflect on the importance of them in our lives and to honour their memory. Candle bags are able to be purchased on the day of Relay and participants can write a special message of hope or a thought for those they lost on the bag. During the ceremony you will be given a time to light your candle and after the official part of the ceremony everyone will walk a lap of the track and then place your bags with lighted candle in front of our Hope sign. These candles will be left to burn throughout the night.

Closing Ceremony – **FIGHT BACK!** is about making a pledge to empower you to lead a cancer smart life. It can be anything from changing your diet, committing to regular check ups, increasing your exercise or giving up smoking. Your pledge can be internal and private or you can announce it to our whole Relay. The more informed and committed we are as a community to minimising the chances of cancer the better.
